## 2A/3P = African Assertiveness / Provoking Positive Perceptions = BEYONDISM

### WHAT IS 2A/3P SELF-ACTUALIZATION MODEL?

**SIMPLY:**  
**I**nvolve, **E**volve and **R**evolve

An **IDEAL** upon which African **I**MPROVEMENT should **I**NVOLVE  
A **DIRECTION** in which African **E**MANICIPATION should **E**VOOLVE  
The **AXIS** about which African **R**EDEMPTION should **R**EVOLVE

### which are the precise parameters of BEYONDISM?

Non-sectarian and non-political, **BEYONDISM** is basically a MODE of VALUATION which implies amassing that 'little extra' - to bring forth the 'reserve energy'. **BEYONDISM** is simply aspiring to be at the cutting edge of knowledge (either personal, social or scientific, or ALL). It is seeking to grow in POTENTIAL and 'developing some more'. It is to obey a voice within you which whispers: What next? And to hasten with an unlimited resolve. It is to ULTIMATELY UPGRADE your awareness on Human Nature and Human Situation. These periods may justly use plus ultra - more BEYOND - where the ancients used non plus ultra. It is an age of achievement, hope and vigour; of new beginnings and enterprises in every field; an era that waits for a voice, some synthesising souls to sum up its spirit and resolve. It is YOU and I, as one of the most powerful minds of modern TIMES, who will ring the bell that shall call the wits together, and announce that Africa has come of age. The key is: Moving BEYOND vulgar valuations and petty perceptions, to becoming an Assertive African who has Provoked Positive Perceptions (a Blessed Beyondist).

### WILL triggers your CODE

"It is not by spectacular achievements that man can be transformed, but by will", so affirmed Norwegian playwright Henrik Ibsen (1828 - 1906). WILL is a natural growth of autonomy, independence and self-determination; an unbroken resolve to exercise freedom of choice and of self-restraint. WILL is the master motivation and the mother of commitment. The greatest tragedy in LIFE is not DEATH but a LIFE without WILL. Listen to Roman poet Sextus Propertius (50? BC - 15? BC): "Even if strength fails, boldness at least will deserve praise: in great endeavors even to have had the will is enough."

### WILL-to-Love

**WILL-to-LOVE** is an inclusive part of the SEVEN autonomous packages (Will-to-Relate, Will-to-Become, Will-to-Live, Will-to-Parenthood, Will-to-Lead, Will-to-Health and Will-to-Strength), as derived from Will-to-SELFOOD which compose this software/program going by the name **2A/3P SELF-ACTUALIZATION** Model. LOVE begins, most often, with a special tenderness of the girl towards her father, and of the boy towards his mother. Then it changes to a more passionate devotion (a kind of vicarious worship) to some person slightly nearer to the lover's age. "The first propensities of love in an uncorrupted youth," says Goethe (1749 - 1832), "takes altogether a spiritual direction." In all essential manifestation, LOVE is to the soul of the one who loves, what the soul is to the body. In true love it is the soul that embraces the body. Solidly at the center of LOVE is WILL, the will-to-reproduce, which is a will-to-live; and its eternal enemy is death. Reproduction is the ultimate purpose of every organism, and its strongest instinct; for only so can the WILL conquer death. And to ensure this conquest of death, the will-to-reproduce is placed almost entirely BEYOND control of knowledge or reflection. LOVE is the cause of war and the end of peace; the basis of what is serious, and the aim of the jest; the inexhaustible source of wit, the key of all illusions, and the meaning of all mysterious hints. That is why, after pouring your heart onto someone, it becomes so painful upon sensing treachery.

DRINKING DEEP in the CUP of INTIMACY is a TIMEly THERAPY**

**T**RUE to the 'language' of Counselling, what you are about to **FILL** are not **QUESTIONS** where you expect **ANSWERS**.  
**H**AVE it: They are palatable **PROMPTINGS** from which individual **RESPONSES** will be **EVOKED** from **DEEP** within you.  
**E**SSENTIALLY, following the 'spirit' of professional psychotherapy, your **DATA** will be treated with utmost **CONFIDENTIALITY**.  
**R**ESPONDING honestly to the **7** **PROMPTINGS** below, kindles your inner **VOICE** to start being clearly audible.

**Y**OUR **L**o-CODE will ultimately be **configured** and **customised**, as well as **personalised** and **packaged**, in the form of:

2A/3P SELF-ACTUALIZATION Model, which *soulfully stands at the core center* of BEYONDISM, deals basically with what it says it does (validity) and produces the same results when given same data more than once (reliability). This MODEL is ferociously fueled by 7P's (Psychology, Philosophy, Poetry, Prose, Programming, Post-Modernism, and Pan-Africanism). This MODEL is precisely for SELF-REALIZATION and SELF-ACTUALIZATION purposes only, and is not in ANY WAY intended to be a substitute for the traditional face to face counselling or psychotherapy with a trained (and certified) professional. Mwaniki is an accomplished author of two books: 'An ABCD...for an Assertive African', and 'Building a PSYCHIC PALACE: Provoking Positive Perceptions'. Continue striving to LOCATE your BEARING and you will eventually ACTUALISE your POTENTIAL. Let others be blessed by the TIMELY THERAPY of BEYONDISM (so as to kindle the fire of an African RENAISSANCE), by proposing this MODEL to as many people as you can. "And he said unto them, Go ye into all the world, and preach the gospel to every creature." - Bible, Mark 16:15.
