2A/3P SELF-ACTUALISATION MODEL

2A/3P = African Assertiveness / Provoking Positive Perceptions = BEYONDISM

WHAT IS 2A/3P SELF-ACTUALIZATION MODEL?

SIMPLY:
Involve, Evolve and Revolve

An IDEAL upon which African IMPROVEMENT should INVOLVE
A DIRECTION in which African EMANICIPATION should EVOLVE
The AXIS about which African REDEMPTION should REVOLVE

which are the precise parameters of BEYONDISM?

Non-sectarian and non-political, BEYONDISM is basically a MODE of VALUATION which implies amassing that 'little extra' - to bring forth the 'reserve energy'. BEYONDISM is simply aspiring to be at the cutting edge of knowledge (either personal, social or scientific, or ALL). It is seeking to grow in POTENTIAL and 'developing some more'. It is to obey a voice within you which whispers: What next? And to hasten with an unlimited resolve. It is to ULTIMATELY UPGRADE your awareness on Human Nature and Human Situation. These periods may justly use plus ultra - more BEYOND - where the ancients used non plus ultra. It is an age of achievement, hope and vigour; of new beginnings and enterprises in every field; an era that waits for a voice, some synthesising souls to sum up its spirit and resolve. It is YOU and I, as one of the most powerful minds of modern TIMES, who will ring the bell that shall call the wits together, and announce that Africa has come of age. The key is: Moving BEYOND vulgar valuations and petty perceptions, to becoming an Assertive African who has Provoked Positive Perceptions (a Blessed Beyondist).

WILL triggers your CODE

"It is not by spectacular achievements that man can be transformed, but by will", so affirmed Norwegian playwright Henrik Ibsen (1828 - 1906). WILL is a natural growth of autonomy, independence and self-determination; an unbroken resolve to exercise freedom of choice and of self-restraint. WILL is the master motivation and the mother of commitment. The greatest tragedy in LIFE is not DEATH but a LIFE without WILL. Listen to Roman poet Sextus Propertius (50? BC - 15? BC): "Even if strength fails, boldness at least will deserve praise: in great endeavors even to have had the will is enough."

Will-to-RELATE

WILL-to-RELATE is one of the SEVEN autonomous packages (Will-to-Become, Will-to-Live, Will-to-Strength, Will-to-Parenthood, Will-to-Health and Will-to-Lead), inclusive of Will-to-LOVE and Will-to-SELFHOOD which compose this software/program going by the name **2A/3P SELF-ACTUALIZATION** Model. This particular package dwells on the teenage rebellion, peer pressure and sexuality. As a teenager you will be aroused on social implications and psychological imperatives of your generation. You will be made aware of the stage you are in regard to your adolescence and specific characteristics thereof. After being informed on thinking patterns which you may engage in as result of newly acquired mental abilities, you will be taken through a personal pilgrimage of understanding intrinsic motivations which drives you. Further you will be enlightened on personal and societal forces (negative and positive) which may serve to determine your future. All factors which affect your relationship with the society, your parents, teachers and the fellow peers are discussed in great depth.

2A/3P SELF-ACTUALIZATION Model, which *soulfully stands* at the *core center* of **BEYONDISM**, deals basically with what it says it does (validity) and produces the same results when given same data more than once (reliability). This MODEL is *ferociously fueled* by **7P's** (Psychology, Philosophy, Poetry, Prose, Programming, Post-Modernism, and Pan-Africanism). This MODEL is precisely for SELF-REALIZATION and SELF-ACTUALIZATION purposes only, and is not in ANY WAY intended to be a substitute for the traditional face to face counselling or psychotherapy with a trained (and certified) professional. (c) 2024 by GILBERT KINYUA MWANIKI, an engineer, a scientist, a programmer and a psychologist. Mwaniki is an accomplished author of two books: '*An ABCD...for an Assertive African*', and '*Building a PSYCHIC PALACE: Provoking Positive Perceptions*'. Continue striving to LOCATE your BEARING and you will eventually ACTUALISE your POTENTIAL. Let others be blessed by the TIMELY THERAPY of **BEYONDISM** (so as to kindle the fire of an African RENAISSANCE), by proposing this MODEL to as many people as you can. "And he said unto them, Go ye into all the world, and preach the gospel to every creature." - Bible, Mark 16:15.
